## The New Jersey Highlands Coalition

We represent a diverse network of organizations - small and large, local, regional, statewide and national - and individuals with the common goal to protect, enhance and restore the New Jersey Highlands and to preserve the quality and quantity of drinking water both for the 850,000 people in the Highlands as well as the more than 5.4 million people in surrounding areas who depend on Highlands water. For more information visit our website.

**Thank you for all of your support!**
