

Join Us for the People's Climate March, April 29th!

A poster for the People's Climate March. The background is a grayscale image of a large crowd at a protest, with a raised fist in the foreground. The text "WE RESIST. WE BUILD. WE RISE." is prominently displayed in white, bold, uppercase letters, with each line underlined in yellow. Above the text are two circular logos: one for "PEOPLE'S CLIMATE MOVEMENT" and another for "4/29 DC 2017". At the bottom, there is a calendar icon, the date "April 29th 2017", a location pin icon, "Washington DC", and a group of people icon followed by the text "March for jobs, justice and the climate".

Won't you join us in Washington, DC at the **People's Climate March, April 29**? You can find more information about the March here:

<https://peoplesclimate.org/>

The New Jersey Highlands Coalition is co-sponsoring buses to the March from

New Jersey with the New Jersey League of Conservation Voters. At this time, buses are leaving from Somerset and New Brunswick, but **IF THERE IS ENOUGH INTEREST, I'M SURE WE CAN ARRANGE A BUS FROM A MORE NORTHERLY HIGHLANDS LOCATION.**

Please let me know if you are interested in coming on the bus, and if you would like to leave from/return to a Morris County start/end point? I think I need at least 36 people to fill a bus from up here, so LET'S DO IT! If we are overwhelmed, there may be more than one start point, or more than one Highlands bus, so please tell me where you are coming from. If there's enough interest, I will get the details to you asap, so please rsvp quickly.

Alternately, complete the registration [HERE](#) and begin in Somerset or New Brunswick.

Many thanks. Looking forward to seeing many of you April 29!

5.4 About the New Jersey Highlands Coalition

We represent a diverse network of organizations - small and large, local, regional, statewide and national - and individuals with the common goal to protect, enhance and restore the New Jersey Highlands and to preserve the quality and quantity of drinking water both for the 850,000 people in the Highlands as well as the more than 5.4 million people in Northern and Central New Jersey who depend on Highlands water. For more information visit our website: www.njhighlandscoalition.org

Thank you for all of your support!
